Slicing through the waves and recognizable by its sleek, aerodynamic lines, the PERI 29 motor-yacht is the lightest, fastest model in the Peri range. It is a high-tech thoroughbred, blessed with exhilarating speed and superb handling. This PERI 29 flybridge yacht has earned an outstanding reputation as a family charter yacht in the Mediterranean. A thorough refit in 2014 sees her in impeccable condition and can only enhance her popularity among experienced charter guests.

The PERI 29's vast exterior and interior spaces express a new kind of luxury – smooth, uncluttered and very seductive. New dimensions open-up, from the broad, teak-laid outer decks, to the generous flybridge, with its privileged views of the sea. The generous award-winning contemporary interior envelops you in pearl grey leather, pale floors and sophisticated lighting.

She offers the 4-cabin version (consisting of a Master suite, VIP suite and two twin guest suites) of the PERI 29 and can accommodate 8/9 guests sleeping in a spacious comfort as well as up to 12 cruising. All cabins are fitted with entertainment systems, plasma television screens and full ensuite bathroom facilities. The saloon and dining area are open plan with large windows giving panoramic views and offer relaxation, fine dining and entertainment, and there is air conditioning and Wi-Fi internet access throughout this yacht for sale.

Deck areas are extensive and include a large sheltered aft deck with all the facilities for al fresco entertaining and dining while a huge flybridge comes complete with sunbathing spaces, sun pads, a wet bar and an outdoor dining area, all sheltered by a retractable Bimini top when necessary.

This fine example of the PERI 29 is a very highly maintained yacht with year-around professional crew and RINA classed and MCA compliant for added value.
