Description

With powerful sportive looks, class leading handling and exceptional space throughout, the PRINCESS V62 epitomizes everything that is V Class and the new second generation model delivers all this - and more.

The larger, expansive cockpit of the PRINCESS V62 is a wonderful space in which to entertain or relax with generous seating, a fully equipped wetbar with barbecue and a large central sunbed above the garage which can accommodate a 3.25m rigid inflatable tender. The electro-hydraulic bathing platform ensures she is also perfectly equipped for watersports whether used as a private beach or a convenient launching system for the tender or jet ski.

The main deck saloon on the PRINCESS V62 creates the perfect respite from the heat of the day but also connects with ease to the outside via the large sunroof and glass sliding doors. Her interior is light, contemporary and beautifully finished with the finest materials used throughout the spacious accommodation, and the space available below decks is exceptional at this size.

The lower saloon features an informal dinette for relaxed entertaining or for use as a second saloon and is serviced by the large galley opposite which is fully equipped to cater for any occasion and large enough to accommodate a full height fridge/freezer. Owners and guests are equally well catered for in the three well-appointed cabins including a wonderfully light and spacious en-suite owner’s cabin which makes full use of the PRINCESS V62’s generous full beam and the views afforded from the new dynamic single pane hull windows.

Full Specs

MAIN CHARACTERISTICS

Builder: Princess Yachts (U.K.)

Model: Princess V62

Type: Sport yacht / Motor Yacht / Hard-Top / Deep-V Hull

Year Built: 2012

Material: GRP

Hull Colour: White

Length overall (incl. pulpit): 63ft 6in - 19.39 m

Length overall (excl. pulpit): 62ft 8in - 19.14 m

Beam: 16ft 5in - 4.99 m

Draft: 4ft 6in - 1.37 m

Displacement approx. (Twin CAT C18 A): 29,500 kg - 65,036 lbs

Flag / Registration: USA

Lying: Turkey

ENGINES

Twin CATERPILLAR C18 ACERT (2 x 1150 Hp)

Drive: Shaft

Running Hours: 835 h (Sept. 2018)

Maximum Speed: 35 Knots

Cruising Speed: 28 Knots

POWER AND DRIVE SYSTEMS

5-bladed propellers in nickel aluminium bronze

Propeller shafts in Marinemet

Engine room lighting

Cockpit sole engine room access hatch with gas strut support

Power-assisted electro-hydraulic steering

Electro-hydraulic trim tabs with indicators

Electronic engine controls

Freshwater outlet point in engine room

Engine room extractor fans with electronic time delay

Dripless shaft seals

TANKAGE

Fuel capacity: 750 gal - 901 US gal - 3,409 l

Water capacity (incl. calorifier): 110 gal - 132 US gal - 500 l

STANDARD EQUIPMENT

Power-assisted electro-hydraulic steering system

24v DC/240v AC electrical system

240v shore power with 80-amp float battery charger

220v/240v diesel generator

Remote control electric anchor winch

Electro-hydraulic trim tabs with indicators

Autopilot

VHF with DSC R/T

Colour radar/chart plotter/GPS

Speed and distance log

Echo sounder with alarm

Remote control searchlight

Combination microwave/conventional oven/grill

Full height refrigerator with deep freeze

Icemaker

Cockpit wetbar including sink, top loading coolbox and electric barbecue

Electric quietflush toilets with holding tank

Lower saloon LED TV/DVD with surround-sound system

Deck saloon stereo CD/radio

Teak-laid transom platform/cockpit deck/stairs to side decks

Cockpit sunbed and cushions

Double opening stainless-steel framed saloon door

Hard top with electrically operated sliding sunroof

Electro-hydraulically opening garage with storage for tender or jet ski

Transom door

Transom platform with electro-hydraulic raise/lower mechanism

Hot and cold transom shower

Tonneau cover

OPTIONAL EQUIPMENT FITTED

Bowthruster (210 Kg.F) in place of standard

Sternthruster (170 Kg.F)

Variable speed bow and stern thrusters with hold function docking facility

Crew cabin (single berth) with sink, toilet and air conditioning

Solar film to underside of sliding roof skylights

Passerelle (concealed 3.5m telescopic type)

Electric stern rope handling winches (2)

Additional 12m of anchor chain total of 80m

Underwater transom lights (4 Blue LED)

Teak to side decks and foredeck

Deck saloon 32 inches TV on a powered lift mechanism linked to BOSE system

iPod station linked to BOSE system in saloon

Owners stateroom – 26’’TV and DVD player

Washer/dryer under passageway stairs

ONAN 13.5 kW-50Hz generator in place of standard

Generator hours: 2800 h (Sept. 2018)

Continental 220V/240V Sockets

Air conditioning/heating reverse cycle CRUISAIR

Foredeck sunbed cushions in Movida Metallic

Cockpit seating & aft sunbed cushions in Movida Metallic

Interior seating in Movida Metallic Weiss

Sunbrella Supreme cockpit canvas covers with stainless steel sliding tubes

Watermaker DESSALATOR 160l/h

TV/SAT System KVH M5

DECK FITTINGS

Teak-laid transom platform and cockpit deck

Reversible electric anchor winch with foredeck and helm position controls

Self-stowing 40kg/88lb Delta anchor with 40m of chain

Stemhead roller with automatic anchor launch and retrieve

Bow rope storage locker

Stainless-steel bow, stern and spring cleats

Stainless-steel pulpit and guard rails

Stainless-steel coachroof handrails

Forecabin hatch

White PVC rubbing band with stainless-steel insert

Full set of IMCO navigation lights

Riding light

Remote control searchlight

Twin electric horns

Fuel and water fillers

Stern docking lights

Foredeck freshwater deckwash

COCKPIT

Self-draining

U-shaped seating/dining area

Cockpit lighting

Stainless-steel hand rails

Optional telescopic passerelle 3.5m

Cockpit wetbar including sink, with refrigerated coolbox, barbecue and waste bin

Sunbed aft

Electro-hydraulically opening garage with storage for tender or jet ski

Electric winch dinghy retrieval system

Access hatch to lazarette stowage space with gas strut support

Fender stowage

Life raft stowage

Access hatch to engine room with gas strut support

220/240v shore support inlet in locker

Stowage lockers

Transom door leading to bathing platform with hot and cold transom shower, foldaway swimming ladder and teak decking

Transom platform with electro-hydraulic raise/lower mechanism

HELM POSITION

Twin leather upholstered seats with manual adjustment on helm seat

Instrument panel with full engine instrumentation, fuel gauges and electronic engine and gear shift controls

Rudder position indicator

Power-assisted electro-hydraulic steering with adjustable steering wheel

Bow thruster control

Remote control electric anchor winch

Trim tab controls with indicators

Autopilot

VHF with DSC R/T

Colour radar and GPS/chartplotter

Speed and distance log

Echo sounder with alarm

Remote control searchlight

High-speed compass

Horn button

Chart table

Twin windscreen wipers

Windscreen freshwater pressure wash

Bilge pump controls with visual ‘pump running’ indicators

12v outlet

Red night lighting

DECK SALOON

U-shaped sofa with coffee table

CD radio to deck saloon and cockpit speakers

Cocktail unit starboard side incorporating refrigerator, icemaker, bottle and glass storage

Overhead downlighters

Double opening stainless-steel framed saloon door

Venetian blinds, curtains or sunscreens (mesh type) to all windows and doors

Electric hardtop sliding roof

GALLEY

Avonite (or similar) worktop

4-plate ceramic hob

Extractor fan

Combination microwave/ conventional oven with grill

Twin bowl stainless-steel sink with Monobloc mixer tap

Dishwasher

Full height refrigerator with deep freeze

Storage cupboards, drawers and lockers

Waste bin

Timber-laid floor

Optional washer/dryer

LOWER SALOON

L-shaped sofa with dining table and two stools

Cocktail cabinet

Storage lockers

LED TV/DVD with surround-sound system

Main electrical control panel with freshwater gauge

Overhead downlighters

ACCOMMODATION

All cabins are fitted with opening portholes and 240v power points

All bathrooms feature opening portholes, electric quiet flush toilets with holding tanks and 240v shaver points

OWNER'S STATEROOM

Large double bed with drawers below

Dressing table

Seating area

Wardrobe and shelves

Drawers, cupboards and storage lockers

Overhead and individual berth lights

CD Radio

En-suite bathroom:

Washbasin with Monobloc mixer tap

Separate shower cubicle with automatic shower pump-out

Extractor fan

Mirror

Storage lockers

FORWARD VIP CABIN

Large double bed with drawers below

Wardrobe and shelves

Dressing table

Drawers, cupboards and storage lockers

Overhead and individual berth lights

Deck hatch with flyscreen and blind

En-suite bathroom:

Wash basin with Monobloc mixer tap

Separate shower cubicle with automatic shower pump-out

Extractor fan

Mirror

Storage lockers

Access door from passageway as well as from stateroom

STARBOARD GUEST CABIN

Two full-size single berths with storage below

Wardrobe with shelves

Storage lockers

Downlighters and individual berth lights

INTERIOR FINISH

Walnut super yacht interior wood - Satin finish mat

Galley worktop Midnight Sky finish

Bathroom worktops with avonite finish

Upholstery fabrics, carpets and curtains from co-ordinated range

Timber-laid galley and helm floors

ELECTRICAL SYSTEMS

24 Volt:

4 x heavy-duty batteries for engine starting

4 x heavy-duty auxiliary batteries

Engine alternators charge both banks of batteries via automatic switch charging system

1 x 80-amp float battery charger to charge both banks of batteries via an automatic switch charging system

Remote battery master switches with control switch at main panel

Circuit breakers on all circuits

24-12v dropper for certain navigation and radio circuits

220/240 Volt:

Diesel generator with own starting battery and specially silenced exhaust

Shore support inlet in cockpit

Generator/shore support change-over switch

Power points (240v) in: all cabins, galley (double) and saloon

Polarity check system

Earth leakage safety trip

Shaver points in both bathrooms

FUEL SYSTEM

Twin fuel tanks (in NS8 marine grade alloy) with interconnection system giving 750 gallon/ 901 US gallon/3409 litres capacity

Fuel fillers on both side decks

High-capacity duplex fuel filters/water traps with change-over cocks and visual contamination warning at console

Remote fuel cocks by helm position

Fuel gauges on helm console

WATER SYSTEM

Water tank totalling 94 gallon/113 US gallons/428 litres plus 16 gallon/19 US gallon/72 litre hot water calorifier

Water heated by engine and 240v immersion heater

Automatic water pump with filter

Main circuit breaker at switch panel

Water-level gauge

Deck filler

TENDER

TBD
