## Description

Built on a semi-displacement fibreglass hull, with fibreglass superstructure and teak decks, this brand-new CUSTOM LINE NAVETTA 37 is a motor yacht with a length of 121' 6". The yacht's builder is Custom Line from Italy (part of the Ferretti Group) who delivered this Superyacht in March 2022. This yacht features a wide beam of 8m, a relatively shallow draft of 2.27m and a huge volume of 280 GT spread across 3 decks with classic white exterior and black hard top to the sundeck.

The yacht is also built to RINA Class and MCA certified should her new owner wish to charter.

The CUSTOM LINE NAVETTA 37 is a high-volume tri-deck semi-displacement motor yacht designed for extended live aboard cruising with a contemporary-classic, elegant design throughout. She features exterior and interior design by Zuccon International Project, with naval architecture by Custom Line SpA.

The pedigree of the yard is well renowned for quality and detailed finishing and this example has been equipped to a very high level with comprehensive optional equipment, including an upgraded entertainment, highest quality appliances, both zero speed fins & gyro stabilizers for complete comfort and stern beach club with hydraulic swim platform. Additional features include her bow deck lounging area, sundeck Jacuzzi and garage for tender and toys.

Up to 11 guests are accommodated on board the yacht's optimized layout, comprising a main deck Master suite and 4 additional guest cabins on the lower deck, all with en-suite facilities. A dark brushed oak interior, a clean but sophisticated décor and large hull windows, enhance the abundance of light in all her living spaces. She also carries accommodation for 7 crew members.

This CUSTOM LINE NAVETTA 37 for sale is powered by twin 1400 Hp MAN Diesel engines, which give her a cruising speed of 12 knots and a top speed of 15.5 knots. The yacht boasts a maximum range of 2500 nautical miles at her economical speed of 10 knots.

This CUSTOM LINE NAVETTA 37 is a turnkey solution ready for the 2022 season, offered for sale as her owner is moving up to a larger vessel.

### KEY FEATURES

- Delivered March 2022, low hours and transferable warranties
- RINA and MCA Class

Built with unidirectional and multi-axial E-glass and fiberglass material

Hull, Deck, Superstructures and Bulkheads:

- Structural Layers: MAT and glass BIAx Local reinforcement inserts: marine plywood, brass Fiberglass
- Structural Bulkheads: PVC sandwich + skin in glass Biax Structural Wooden Bulkheads: Larifphon-Laricross, 44mm thickness (marine plywood, cork-rubber, polystyrene foam)
- Sandwich core: Down tree (balsa)
- Structure Core: Polyurethane foam, local reinforcements excluded

Internal Structure:

- Glass E: biaxial fiber at +/- 45°, 0, 90° for structures lamination and uni-directional fiber for platband

### **STANDARD EQUIPMENT**

#### **MAIN DECK EXTERNAL**

Aft gates (2) (stainless steel and plexiglass)

Aft (2) and bow (4) roller fairleads

Aft GRP and teak-laid bathing platforms with stainless-steel cleats (2)

Boat hooks (3)

Bow locker with electro-hydraulic hatch

Bulwarks side doors (2)

Capstans (2) in cockpit docking cabinets at stern (2500W each)

Chain wash down with sea water

Cockpit armchairs (2)

Cockpit sink with hot and cold water (mooring station)

Concealed lighting on side decks

Covers for cockpit table, armchairs and sofa, forward dinette, forward sunpad

Curtain rod for canopies (cockpit and part of both sidewalks)

Cylindrical fenders with covers with logo (8)

Deck laid with teak

Docking lines 130 m

Dockside water intake at stern

Double mode transom system electro-hydraulic garage door and teak-laid on the inside

Electric anchor windlasses (2) (4000 W each) with controls at bow

Emergency escape from engine room (in cockpit storage) with waterproof hatch

Fairleads with stainless steel cleats (2 each side)

Fire hose outlets with sea water (3) (bow and side decks (2))

Fresh water outlets (3) for washing (bow and side decks (2))

GRP and teak bathing platform with electro-hydraulic up-down system

GRP sofa bench in the cockpit, with mobile back, convertible into a sun pad

Hatch teak covered, to close chain locker

Hot/cold water shower at stern

Housed life rings (2) one with rope and luminous buoy

Inter-com for manoeuvring (5) (bow, cockpit, control room, engine room, stbd technical area) and megaphone on hard top

Leather fender tie bar on the bulwark (10)

Led spotlights in cockpit and sidewalks ceilings

Locker with hatch below the bow sunpad triangle

Mooring stations (2) in cockpit with storage for mooring lines

Natural teak on bulwark

Outdoor cameras in ceiling (4) (2 in cockpit, 2 in sidewalks)

Pool anchors 180 kg (2) with chains 125 m (2), diameter 14 mm with bar and markings every 25 m

Port side staircase to the bow dinette (GRP and teak, courtesy lights and handrail)

Refuelling and water intake, with hatches, both in each sidewalk

Removable swimming ladder

Round fenders with covers with logo (6)

Side sponsons with teak floor

Small table in the cockpit

Spotlights at aft (2)

Spotlights at bow mooring area (2)

Stainless-steel bow hawses (2)

Stainless-steel bow staff with bell

Stainless-steel cleats stern (4) and forward (4)

Stainless-steel deck hardware

Stainless-steel support poles (2) in the cockpit

Stainless-steel, teak-laid electro-hydraulic telescopic gangway with stainless-steel manual handrails and remote controls (2)

Staircase to the upper cockpit, in the port side support (GRP and teak, courtesy lights and handrail)  
Storage at bow of starboard walk side  
Storage in the starboard side support in cockpit  
Sunpad in the bow triangle  
Sunshade canopy with electrical roll-up over cockpit sofa  
Warping line 100 m  
Waterproof speakers (2) in the fore dinette with amplifier, Airplay, party mode and volume control  
Waterproof speakers (4) in the main cockpit with amplifiers (2), airplay, party mode and volume control (connection to the main deck salon)

## **SALOON**

Aft glass door to cockpit with stainless steel frame in 3 parts (2 sliding, of which one automatic)  
Air conditioning  
Blu Ray DVD reader (region code DVD 2 and BD "B")  
Cabinets with doors and shelves  
Ceiling led lights  
Drawer fridge  
Electrically operated pleated curtain (aft glass door)  
Electrically operated Roman blinds (2) on port side  
Electrically operated Roman blinds (2) on starboard side  
Fitted carpet on floating floor with soundproof lining  
HDMI aux input  
Home Theatre system with amplifier tuner (5+1), central server unit and Apple-TV  
iPad mini control system for entertainment  
Living area sofas and coffee table  
Telephone  
TV LED 'Smart TV' 55" with ceiling electric lift system  
TV SAT receiver

## **DINING AREA**

Air conditioning  
Cabinets with doors, shelves and drawers  
Ceiling LED lights  
Chairs (10)  
Complete tableware for 12 people  
Dining table  
Electrically operated pleated curtain (2) (side glazing)  
Fitted carpet on floating floor with soundproof lining  
Fix lateral panoramic glazing on stainless steel frame in the dining area (port side)  
Openable panoramic glass door on stainless steel frame (manual opening) in the dining area (starboard)

## **GALLEY LOBBY**

Cabinet with doors and shelves  
Ceiling LED lights  
Manual side exit door with electric lock/unlock  
Microwave oven  
Overhead cupboard with doors and shelves  
Technical compartment with kitchen electric switchboard, under stairway to the pilot house  
Telephone  
Vinyl floating floor with soundproof lining

## **GALLEY**

Air conditioning  
Cabinets with shelves and drawers  
Ceiling LED lights  
Ceramic electric 5 ring cooktop with pan holders  
Dishwasher for 12  
Electric oven  
Extractor fan 230V with external outlet  
Fridge 204 l and freezer 72 l, 230V  
Fridge-freezer "side by side" 504 l, 230V with icemaker  
Garbage compactor  
Mini Hi-Fi CD-DVD system with tuner and loudspeakers (2)  
Overhead cupboards with shelves  
Quartz resin countertop  
Stainless-steel sinks (2) with hot/cold water  
Venetian blinds (manual movement)  
Vinyl floating floor with soundproof lining

## **MAIN DECK LOBBY**

Air conditioning  
Ceiling LED lights  
Fitted carpet on floating floor with soundproof lining

## **DAY TOILET**

Air conditioning  
Cabinets with shelves  
Ceiling LED lights  
Ceramic electric WC  
Ceramic washbasin with marble countertop  
Electric ventilation fan  
Emergency escape from lower deck  
Marble floating floor with soundproof lining  
Mirror

Venetian blinds (manual movement)

WC control panel with gauge (3/4 and full)

## **MASTER OFFICE AREA**

Armchair

Bookcases

Desk with drawers

Fitted carpet on floating floor with soundproof lining

Roman blind and blackout roll-up blind (with electric movement)

Windows

## **MASTER STATEROOM**

Air conditioning

Blinds and black-out roll-ups (electric movement)

Cabinet with shelves and drawers (port side)

Ceiling LED lights

Concealed lighting under the bed

Desk and ottoman (in port side cabinet)

Digital safe

Double bed with mattress, pillows, bedspread and sheets

Drawers under bed (4)

Emergency escape to bow dinette

Fitted carpet on floating floor with soundproof lining

HDMI aux input

Home Theatre system with amplifier tuner (5+1), connection to central server unit and Apple-TV

iPad mini control system for entertainment

Leather headboard with LED lighting

Natural ventilation under the mattress

Nightstands (2)

Reading lights (2)

Side windows

Sofa (starboard)

Telephone

TV LED 'Smart TV' 49"

TV SAT receiver

Walk-in closet with sliding door, mirror, chest of drawers and shelves

## **MASTER BATHROOM**

Air conditioning

Bathroom accessories

Cabinets with mirrored doors and shelves

Ceiling LED lights

Ceramic electric WC and bidet (2, port and stbd side)  
Ceramic wash basins with marble countertop (2, port and stbd side)  
Coating natural wood bulkheads with lacquered  
Electric extractor fan for bathroom and shower  
Lockers with shelves  
Marble floating floor with soundproof lining  
Shower in the middle (glass doors, marble tray, marble bench)  
Side windows with portholes  
Towels set  
Venetian blinds (manual movement)  
WC control panel with gauge (3/4 and full) (2, port and stbd side)

## **UPPER DECK EXTERNAL**

Ceiling LED lights  
Chairs (10)  
Covers for sofa, tables and chairs in panoramic cockpit, dinette, tables and sunpad area at bow  
Dinette at bow sofa bench with tables (2)  
Dining table in panoramic cockpit  
Fire hose outlet with sea water  
Fresh water outlet for deck washing  
GRP fully fitted cabinet (with hot/cold water sink, ice maker, storage) at port side  
Sofa and coffee table in panoramic cockpit  
SSB antenna (2)  
Stainless-steel flagpole  
Stainless-steel side and aft handrails  
Stainless-steel support poles (2) in panoramic cockpit  
Staircase to the sun deck (teak and stainless steel, handrail, courtesy lights)  
Steering positions (2) with navigation instrument and alarms on side decks with cover  
Sunpad at bow with cushions (on top the locker hatch)  
Teak laid deck  
Waterproof speakers (4) with amplifiers (2), connected to the upper deck lounge, airplay, party mode and volume control

## **UPPER LOUNGE**

Aft glass door to panoramic cockpit with stainless steel frame in 3 parts (2 manually sliding)  
Air conditioning  
Cabinets with doors and shelves  
Ceiling LED lights  
HDMI aux input  
Home Theatre system with amplifier tuner (5+1), connection to central server unit and Apple-TV  
iPad mini control system for entertainment  
Lounge area: "C" shaped sofa, coffee table, ottoman

Manual pleated curtain (aft glass door)  
Manual Roman blinds (6)  
Side windows  
Telephone  
TV LED 'Smart TV' 48" with ceiling electric lift system  
TV SAT receiver  
Wooden flooring with soundproof lining

#### **UPPER DECK LOBBY**

Ceiling led lights  
Wooden flooring with soundproof lining

#### **PANTRY**

Cabinets with shelves  
Ceiling LED lights  
Electric ventilation fan  
Fridge with drawer  
Socket (230V)  
Vinyl flooring with soundproof lining

#### **DAY TOILET**

Air conditioning  
Cabinet with shelves  
Ceiling LED lights  
Ceramic electric WC  
Ceramic wash basin with marble countertop  
Electric ventilation fan  
Fixed window  
Marble flooring with soundproof lining  
Mirror  
Venetian blinds (manual movement)  
WC control panel with gauge (3/4 and full)

#### **PILOT HOUSE**

Acoustic alarm for bilge (water level in garage, engine room and bow) in synoptic panel  
Air conditioning  
Automatic pilot control unit with compass indicator  
Bookcase  
Cabinets with shelves  
Captain stand with foldable seat in stainless-steel and leather  
Ceiling LED lights  
Chart desk with nautical charts storage

Cigarette lighter outlet 12V

Clock, barometer, hygro thermometer

Electric panel for helm position/upper lounge

Electronic controls for engine clutch

Fire detection system control panel

Integrated dashboard in multi touch colour display with the following functions, commands and navigation instruments:

- CCTV video sequencer
- Dimmer for navigation instruments lighting
- Electric control for searchlight
- Flaps angle indicator
- Gyrocompass indicator
- Integrated monitoring system
- Integrated navigation system with redundancy, main radar (64 nm), secondary radar (36 nm), chartplotter, GPS and echosounder
- Navigation instrument (Eco, Log and water temperature)
- Stabilizer fins control panel
- Trim tabs indicator
- Wind gauge
- Windlass control at bow
- Windscreen wipers (3) with washing system and timer
- Inter-com for manoeuvring
- Lamp for radio and charting equipment
- Leather covered steering wheel
- Leather sofa with wood frame and drawers (3)
- Lights for night navigation
- Loudspeakers (2) connected to the captain's cabin mini Hi-Fi with separate volume control
- Magnetic compass
- Multifunction printer with fax
- NAVTEX weather receiver
- Portable GMDSS VHF (2)
- Power-assisted electro-hydraulic steering
- Protective external covers for front windscreen and side windows of helm position
- SART Transponder ACR PATHFINDER 3
- Side exit manual doors (2) with electric lock/unlock (pilot house walkaround)
- SSB/DSC transceiver
- Synoptic panel unit with acoustic and visual alarms
- Telephone
- Telephone interface GSM/Voice/Fax
- VHF transceiver (2)

Wooden flooring with soundproof lining

## **CAPTAIN'S CABIN**

Air conditioning

Bed with mattress, pillow, bedspread and sheets

Ceiling LED lights

Closet (hanger and mirror)

Desk and ottoman

Drawers under the bed (2)

Fitted carpet

Mini Hi-Fi CD system with tuner and loudspeakers (2)

Multifunction navigation instrument (Eco, Log and water temperature)

Natural ventilation under the mattress

Reading light

Venetian blinds and black-out roll-up (manual movement)

Window

## **CAPTAIN'S HEAD**

Cabinets with mirrored doors and shelves

Ceiling LED lights

Ceramic electric WC

Ceramic washbasin

Electric ventilation fan

Lockers with shelves

Shower with glass door and wooden tray

Towels set

Venetian blinds (manual movement)

WC control panel with gauge (3/4 and full)

Window

Wooden flooring with soundproof lining

## **SUN DECK**

Ceiling LED lights

Chaise longue (2)

Covers for sunpad, sofa, chaise longue and stools

EPIRB

Forward storage

Front and side windscreen in stainless-steel and plexiglass

Gelcoat flooring with anti-skid

GRP fully fitted cabinet (with hot/cold water sink, grill, fridge and storage) and bar furniture

Hard top with lateral GRP supports

Hydromassage bathtub with constant temperature device, in the sunpad furniture at bow (with cover convertible into sunpad)

Liferafts for 20 people (2 x 10) with hydrostatic hook

Perimeter stainless steel railing

Sofa

Stainless steel support poles for hard top (2)

Stools in bar area (2)

Sunbathing area with cushions and storage on both sides of bathtub

Waterproof speakers (2) with amplifier, Airplay, party mode and volume control

### **HARD TOP EQUIPMENT**

Acoustic alarm

Electric operated searchlight

Empty dome for symmetry to Sat TV antenna

First antenna radar

Open Array

GPS Antennas (2) + Emergency (1) Intercom speaker

Navigation lights

Painted stainless-steel mast

Secondary antenna radar

Radome

Stainless-steel signal mast

TV antenna

TV SAT antenna

VHF antenna (3)

### **LOWER DECK LOBBY**

Ceiling LED lights

Closet with shelves

Electric panel for lower deck

Entertainment system main rack

Fire hose outlet with sea water

Fitted carpet with soundproof lining

### **VIP CABINS AT STERN (2)**

Air conditioning

Cabinets with drawers

Ceiling LED lights

Concealed lighting under the bed

Digital safe

Double bed (manually detachable) with mattress, pillows, bedspread and sheets

Drawers under bed (4)

Dressing/desk table with mirror, ottoman and drawers

Fitted carpet with soundproof lining

HDMI aux input

Hull window with openable portholes (2) in stainless-steel  
iPad mini control system for entertainment  
Leather headboard  
Lisage blind and black-out roll-up (manual movement)  
Loudspeakers (2) with amplifier  
Media server system with Apple TV connected to central unit  
Natural ventilation under the mattress  
Nightstands (2)  
Reading lights (2)  
Telephone  
TV LED 'Smart TV' 40"  
Walk-in closet with mirror, cabinet with door and shelves

### **VIP BATHROOMS AT STERN (2)**

Air conditioning  
Cabinets with doors and shelves  
Cabinets with mirrored doors and shelves  
Ceiling LED lights  
Ceramic bidet  
Ceramic electric WC  
Ceramic wash basin with marble countertop  
Electric ventilation fan for bathroom and shower  
Hull window with openable porthole in stainless-steel  
Lacquered bulkheads  
Marble flooring with soundproof lining  
Shower (glass door and frame in stainless steel, marble floor, marble bench, lacquered walls and waterproof curtain)  
Towels set  
Venetian blinds (manual movement)  
WC control panel with gauge (3/4 and full)

### **FORE STARBOARD GUEST CABIN**

Air conditioning  
Beds (mattresses, pillows, bedspreads and sheets) (2)  
Ceiling LED lights  
Concealed lighting under the beds  
Desk and ottoman  
Digital safe  
Drawers under the beds (2+2)  
Fitted carpet with soundproof lining  
HDMI aux input  
Hull window with openable portholes (2) in stainless-steel

iPad mini control system for entertainment  
Leather headboard  
Lisage blind and black-out roll-up (manual movement)  
Loudspeakers (2) with amplifier  
Media server system with Apple TV connected to central unit  
Natural ventilation under the mattress  
Nightstands (2)  
Reading lights (2)  
Telephone  
TV LED 'Smart TV' 32"  
Wardrobe (hanger, shelves and mirror)

### **FORE STARBOARD GUEST HEAD**

Air conditioning  
Cabinet with doors and shelves  
Cabinets with mirrored doors, shelves and light  
Ceiling LED lights  
Ceramic bidet  
Ceramic electric WC  
Ceramic wash basin with marble countertop  
Electric ventilation fan for bathroom and shower  
Hull window with openable porthole in stainless-steel  
Lacquered bulkheads  
Marble flooring with soundproof lining  
Shower (glass door and frame in stainless steel, marble floor, marble bench, lacquered walls and waterproof curtain)  
Towels set  
Venetian blinds (manual movement)  
WC control panel with gauge (3/4 and full)

### **FORE PORT SIDE GUEST CABIN**

Air conditioning  
Cabinets with drawers  
Ceiling LED lights  
Closet (hanger)  
Concealed lighting under the bed  
Digital safe  
Double bed with mattress, pillows, bedspread and sheets  
Drawers under bed (4)  
Fitted carpet with soundproof lining  
HDMI aux input  
Hull window with openable portholes (2) in stainless-steel

iPad mini control system for entertainment  
Leather headboard  
Lisage blind and black-out roll-up (manual movement)  
Loudspeakers (2) with amplifier  
Media server system with Apple-TV connected to central unit  
Natural ventilation under the mattress  
Nightstands (2)  
Reading lights (2)  
Telephone  
TV LED 'Smart TV' 40"  
Walk-in closet with mirror, cabinet with door and shelves

### **FORE PORT SIDE GUEST HEAD**

Air conditioning  
Cabinets with doors and shelves  
Cabinets with mirrored doors, shelves and light  
Ceiling LED lights  
Ceramic bidet  
Ceramic electric WC  
Ceramic wash basin with marble countertop  
Electric ventilation fan for bathroom and shower  
Hull window with openable porthole in stainless-steel  
Lacquered bulkheads  
Marble flooring with soundproof lining  
Shower (glass door and frame in stainless steel, marble floor, marble bench, lacquered walls and waterproof curtain)  
Towels set  
Venetian blinds (manual movement)  
WC control panel with gauge (3/4 and full)

### **CREW DINETTE**

Acoustic alarm for bilge water level in garage, engine room and bow  
Air conditioning  
Ceiling LED spotlights  
Combined fridge and freezer  
Curtain  
Dinette (sofa with wooden table)  
Emergency escape to main deck  
Fire hose outlet with sea water  
HDMI aux input  
Integrated monitoring system with touch-screen display  
Microwave oven

Mini Hi-Fi CD system with tuner and loudspeakers (2)

Openable porthole in stainless-steel

Overhead cupboards with door and shelves

Sink in stainless-steel with hot/cold water

Storage under the stairs

Tableware for 6 people (crew)

Telephone

TV LED 'Smart TV' 28"

VHF dual station

Vinyl flooring

### **UTILITY ROOM**

Air conditioning

Cabinet with shelves

Ceiling LED spotlights

Curtain

Dryer

Electric ventilation fan

Openable porthole in stainless-steel

Vinyl flooring

Washing machine

### **CREW LOBBY**

Ceiling LED spotlights

Vinyl flooring

### **CREW CABINS (2)**

Air conditioning

Bunkbeds with mattresses, pillows, bedspreads and sheets

Ceiling LED spotlights

Curtain

Fitted carpet

Mini Hi-Fi CD system with tuner and loudspeakers (2)

Openable porthole in stainless-steel

Reading light (2)

Wardrobe

### **CREW HEADS (2)**

Air conditioning

Ceiling LED spotlights

Curtain

Electric ceramic WC

Electric ventilation fan  
Locker with door and shelves  
Mirror  
Openable porthole in stainless-steel  
Shower with plexiglass door  
Towels set  
Washbasin  
WC control panel with gauge (3/4 and full)  
Wooden flooring

### **HOSTESS CABIN**

Air conditioning  
Bed with mattress, pillow and bedspread  
Ceiling LED spotlights  
Curtain  
Fitted carpet  
Mini Hi-Fi CD system with tuner and loudspeakers (2)  
Openable porthole in stainless-steel  
Reading light  
Wardrobe (hanger and mirror)

### **HOSTESS HEAD**

Air conditioning  
Cabinet with mirrored doors and shelves  
Curtain  
Electric ceramic WC  
Electric ventilation fan  
Locker with door and shelves  
Openable porthole in stainless-steel  
Shower with plexiglass door  
Towels set  
Washbasin  
WC control panel with gauge (3/4 and full)  
Wooden flooring

### **ENGINE ROOM**

Air extractors with remote controlled emergency shut down (2)  
Air inlets with separators and remote-controlled emergency shutdown  
Aluminium anti-slip flooring  
Auxiliary gen set  
Day/night CCTV fixed colour cameras (2)  
Diverter valves to allow engines to pump water from the bilge (2)

Electro-hydraulic control unit for bow thruster  
Emergency escape to the cockpit (watertight hatch and removable ladder)  
Emergency fuel transfer pump  
Finishing panels in multi-layer light alloy sheet  
Fixed fire extinguishing system (engine room) with manual activation  
Generator muffler and gas/water separator  
Inspection lamp  
LED lights  
RACOR pre-filters to main engines (2)  
Smoke detector  
Stainless-steel foldaway washbasin with fresh water  
Stainless-steel handrails around main engines  
Water filters for engine cooling system (2)  
Water filters for generator cooling system (2)  
Watermaker

### **CONTROL ROOM**

Air compressor with spray gun and spiral hose  
Aluminium anti-slip flooring  
Day/night CCTV colour camera  
Electric ventilation fan  
Fire hose outlet with sea water  
FM200 fire extinguishing system  
Hydraulic emergency wheel  
Integrated monitoring system with touch-screen display  
Inter-com for manoeuvring  
LED lights  
Main electric panels 400V / 230V / 24V  
Rudder angle indicator  
Smoke detector  
Telephone  
VHF dual station  
Workbench with vice and tool set

### **TECHNICAL ROOM AT STARBOARD STERN**

Aluminium anti-slip flooring  
CCTV colour camera  
Electro-hydraulic control unit for gangway  
Electro-hydraulic control unit for garage door  
Electro-hydraulic control unit for helm position  
GLENDINNING shore power  
Inter-com for manoeuvring

LED lights

Transformer for shore power supply 70 KVA

### **BEACH AREA AND GARAGE AT STERN**

Beach area with furniture with basin (hot/cold water) and storage (port side)

Ceiling LED lights

Emergency bilge/fire extinguishing diesel pump (in storage)

Fire extinguishing system with sea water

Fixed hull window with manual

Venetian blinds (port side)

Floodable hangar for tender

Fresh water outlet for washing

Natural teak flooring

Petrol gas detector (2)

Smoke detector

Storage at stern, port side

Tender launch hydraulic winch

Ventilation system with extractor fans

Walls covered with wood and laminate

Watertight compartment

### **PROPULSION AND CONTROL EQUIPMENT**

Hydraulic bow thruster (70 Hp)

Power-assisted hydraulic steering with emergency manoeuvring

Shaft line transmission with elastic thrust bearing between shaft and reduction gearbox

Silenced main engines exhausts

Stuffing box with dripless shaft seal, low maintenance

### **STABILIZING SYSTEMS**

Stabilizer fins underway and zero speed

### **AUDIO, VIDEO AND NETWORK**

DTV HD systems

Integrated GSM and UMTS internet system

Local audio and video unit for external forward dinette and SD Local audio and video unit for MD saloon, UD and five cabins

Media server system with local units and party mode

Wi-Fi connection with access points (4)

### **COMMUNICATION**

First radar antenna Open Array

Input lines fitted for SATCOM

Multifunction printer with fax  
Portable GMDSS VHF (helm position) (2)  
Router coastal communicator PD-LAN-Wi-Fi-Internet for Fleet BB and/or VSAT connection  
Routing UMTS system  
Second radar antenna Radome  
SSB/DSC  
Telephone interface GSM/Voice/Fax  
Telephone switchboard  
Telephones (11)  
TV antenna  
TV SAT antenna  
TV SAT receiver (3) (saloon, upper lounge, Master cabin)  
VHF transceiver (helm position (2), flybridge helm position, crew dinette, captain's cabin e garage) (6)

### **MONITORING SYSTEM**

Air conditioning system fan coil monitoring and control  
Alarm, with database and current alarm, monitoring  
Bilge pump system monitoring  
Black/gray water tank level monitoring  
CCTV monitoring  
Electrical system (batteries, generators, shore power, electric panels) monitoring and control  
High and low fuel level and water tank level monitoring  
Lighting monitoring and control  
Monitoring galvanic protection  
Monitoring system with 15" display touchscreen (3) (integrated in dashboard, system area, crew quarters)  
Navigation lights monitoring  
Outside doors and portholes monitoring  
Smoke detection alarm monitoring  
Water tank level monitoring  
Weather data monitoring

### **CCTV SYSTEM**

CCTV video sequencer control from integrated dashboard  
Closed circuit surveillance system with colour cameras (8)  
Day/night internal cameras (4) (in engines room (2), technical room and control room)  
External CCTV cameras (3), in the cockpit (2) and side decks (2)

### **NAVIGATION**

Automatic pilot control unit (helm position)  
GPS Antennas (2) + Emergency (1)  
Integrated navigation system with redundancy, main radar (64 nm), secondary radar (36 nm), chartplotter, GPS and echosounder

Multifunction navigation instrument (Eco, Log and water temperature) (2) in crew dinette and Captain's cabin  
NAVTEX weather receiver  
Wings control stations with instruments and alarms (2)

### **FRESH WATER SYSTEM**

Dockside water connection  
Fresh water outlets for washing (5) (bow, side decks (2), aft garage and upper deck)  
Fresh water pump 400V (2)  
Hot water circulating pump  
Structural freshwater tank (4,000 l)  
Water heater 100 l (2) 230V  
Watermaker

### **BLACK AND GRAY WATER SYSTEM**

Automatic gray water discharge system (interchangeable with black water)  
Black water tank (1,000 l) with warning light 3/4 and full  
Electric automatic pump for black water tank discharge (interchangeable with gray water)  
Electric system WC with freshwater flush  
Gray and black water tanks washing system with sea water flush  
Gray water tank (1,000 l)  
Marpol discharge outlet for black water

### **FIRE EXTINGUISHING SYSTEM**

Derivations sprinklers to water the sea (bow, side decks (2), hallway cabins lower deck, observation deck, systems area, crew cabins corridor)  
Fire extinguishers located in each room/cabin  
Fire extinguishing system with sea water (garage) with activation from the control room stairway  
Fixed fire extinguishing system (engine room) with manual activation  
Fuel vapours detector system (garage)  
Pull handles in the engine room (engine fuel and generators shut-down, air inlet (4) and ventilation fan shut-off (2), activation of fire extinguishing system in engine room and systems area)  
Smoke detector system (in all cabins, galley, dining room, saloon, helm position, upper lounge, garage, engine room and systems area) with main alarm in helm position

### **AIR CONDITIONING SYSTEM**

Mediterranean air conditioning and boiler for winter heating

### **FUEL SYSTEM**

Daily stainless-steel fuel tanks (3,100 l) with decanter and discharge  
Fuel transfer pump 24V  
GRP main structural fuel tanks (total capacity 32,500 l)  
Pipes in compliance of the class requirement  
RACOR filters to generators (2)

## **ELECTRIC SYSTEM**

12V automatic battery charger (for genset battery bank)  
12V gel battery dedicated to port genset starting  
12V gel battery dedicated to stbd genset starting  
230V electric sockets (inside the boat)  
230V lighting system  
230V / 400V distribution system AC 50Hz 3-phase + neutral, powered by the gensets or by the shore power  
24V emergency lighting system  
24V automatic battery charger (battery banks for main engines)  
24V automatic battery charger (services batteries banks)  
24V automatic battery charger for emergency batteries  
24V automatic battery charger for radio batteries  
24V DC distribution  
24V DC distribution system supplied by service batteries  
24V gel battery bank for emergency  
24V gel battery bank for services  
24V independent gel battery banks (2) for main engines  
70 kW port genset with soundproof casing  
70 kW stbd genset with soundproof casing  
Automatic parallel system between genset with seamless transfer between genset and shore power  
Cathodic protection with zinc anodes  
Copper strip ground system  
Dock connector plug (20m) 100A 400V 3 poles + ground reel with GLENDINNING (local and remote control)  
Genset parallel battery banks breaker  
Lighting protection system  
Main electrical panel (in control room) and secondary electrical panels (internal areas)  
Main engines parallel battery banks breaker  
Manual batteries breaker (genset, emergency, radio)  
Manual engine batteries breaker, and remote switch for service batteries  
Shore power supply transformer 70 kVA

## **BILGE PUMP SYSTEM**

Auxiliary electric pumps 24V (7) (guests and crew area (3), stern, systems area, engine room (2))  
Bilge alarm in each compartment  
Centralized 400V bilge pump system with electric pumps (2) and emergency diesel pump (bilge and firefighting)  
Emergency bilge suction pipe (engine room) through engine cooling pumps  
Marpol connection for bilge oily water drainage

## **SAFETY EQUIPMENT**

Ax  
Child life jackets (2)

EPIRB ACR GLOBALFIX

First aid kit

Housed life rings (2), one with rope and 30 m luminous buoy Life jackets (20)

Life rafts for 20 people (2 x 10)

SART Transponder ACR PATHFINDER 3

### **OPTIONAL EQUIPMENT INCLUDED**

KOHLER main genset 70EFOZDJ (70 kW) diff. from 55EFOZDJ (53 kW)

KOHLER auxiliary genset 70EFOZDJ (70 kW) diff. from 55EFOZDJ (53 kW)

Generator Hours: 180 h (June 2022)

Stern thruster 58 HP hydraulic (double propeller)

Shore voltage and frequency converter A/Sea

Watermaker IDROMAR 500 I (duplex 250l/h+250l/h)

Treatment system for black water HAMANN

UV water sterilizer

Active carbon filter

Water softener

IDROSTOP Fluiten centralized system for engine/inverters/generators oil change

Fuel filling station in the garage

Fuel oil filter ALFA LAVAL

Teak flooring with black caulking

Teak flooring in the beach area (tender platform not included)

Teak flooring in bow area with black caulking

Underwater lights - each - (5 on each side, 2 aft)

Dimmer light in lower deck

Dimmer light in the cockpit

Dimmer light in main deck

Dimmer light in upper deck

Air conditioning Tropical with UTA

Additional bed in hostess cabin

Separable sliding beds in portside guest cabin

Pullman bed in starboard side guest cabin

Electrical raising of curtains in the LD cabins

Electrical raising of curtains in the UD saloon

Automatic opening for glass door on portside dining area

Automatic opening for glass door on starboard side dining area

Automatic opening for glass aft door in upper deck saloon

Stern sliding door in main deck with Stratophone

Window with porthole in galley

Professional washing machine MIELE PW 6065 Plus

Additional washing machine MIELE

MIELE dryer PT 7135 Plus

Additional MIELE dryer  
MIELE appliances diff. from standard in the galley  
MIELE fridges diff. from standard in the galley  
Full-height wine cooler in MD pantry  
HOSHIZAKI icemaker in MD pantry  
HOSHIZAKI icemaker in UD cockpit  
HOSHIZAKI icemaker in SD  
Additional fridge in UD cockpit furniture  
Fridge diff. in UD pantry, at portside  
KENYON Texan grill on the SD  
MCA certification  
Hull gelcoat colour diff. from standard  
Woodwork diff. from std. in dark brushed oak  
Gyro stabilizers at anchor  
Aft garage ceiling electrohydraulic travel, for hauling and launching the jet ski  
Crane with maximum loading 500 kgs in the bow garage  
Auto Identification system AIS FURUNO Class B (TX-RX FA 50)  
Super premium integrated bridge  
CCTV: Camera colour mot. Pan/Tilt-zoom in MD cockpit, aft  
CCTV: Camera thermal Night Vision + B&W FLIR "M625L" 25Hz  
Antenna TV Sat KVH HD11 with receiver in saloon  
Empty dome for Antenna TV Sat KVH HD 11  
TV 55" SAMSUNG QLED 8k in MD saloon  
TV 55" SAMSUNG QLED 8k in UD saloon  
SAMSUNG Frame TVs 55" in LD guest cabins  
SAMSUNG Frame TV 55" in Master cabin  
TV 28" in captain's cabin  
Crew dinette TV pivoting built-in TV, starboard side  
Apple TV upgrade 4k Apple TV  
Predisposition for additional TV-Sat antenna  
A/V Package Domotic Area A  
Premium Internet Package  
Internet upgrade 5G ready PEPLINK modem 5G with two active SIMs and SIM injector  
Access point upgrade with extension of the Wi-Fi coverage  
A/V package Premium Sound area A  
A/V package Premium Sound External SONANCE  
SD audio system upgrade and loudspeaker predisposition in the garage  
Additional internal, external and USB sockets  
Helm touch keyboards cover  
Sink in UD pantry  
Galley ERNESTO MEDA finishings, furniture doors lacquered matt  
Cachemire and countertop in white Lotus

Portals upholstery in leather PENELOPE OGGI Sand Quartz P3509  
MD saloon bow full height furniture with doors in bronze mirror  
No bidets in the Master and LD bathrooms  
Master office layout  
Master cabin bed headboard and bed frame upholstery  
Chest of drawers in the master bathroom, at portside, replacing the bidet  
Master WC area doors glazed glass doors  
WC in the master and LD cabins mod. GEBERIT  
Anti-mist treatment for the Master bathroom mirrors  
LD bathrooms washbasin on top wash basins mod. Foglio by ANTONIO LUPI  
Waste bins in the LD bathrooms cabinets  
LD cabins upholstery  
Crew dinette sink bigger rectangular sink  
Two additional shelves in the crew mess, in place of the standard TV  
SD wetbar in varnished teak, top in corian Bisque  
Crew shower head in addition to the hand shower (3)

#### **TENDERS & WATERSPORTS**

WILIAMS 565 Diesel Jet tender  
2 x Jet-Skis (TBD)

#### **Yacht Brochure**

Available on request.

#### **Inspections**

Prior appointment, please. Minimum 4-day notice greatly appreciated.

#### **Warranty**

5 Years on the hull, until March 2024 for the rest of the ship's systems

#### **Berth**

Berth place management possible on French or Italian Riviera as well as Spain (Mainland and Balearic Islands), Greece and Turkey.

#### **Disclaimer**

These particulars are given in good faith as supplied to us but cannot be guaranteed and cannot be used for contracts
